

## **IPF/SEOS Part II Compliance Requirements Growers/Processors**

**IPF/SEOS Part II is a three-year compliance program:**

**Year One:** Verify that they have thoroughly read the questionnaire, understand the questions asked, and have given their answers truthfully.

**Year Two:** Provide written statements that they are working on or have submitted IPF/SEOS Part II Plans, Policies, and Programs.

**Year Three:** By the end of the third year, provide IPF/SEOS Part II Plans, Policies, and Programs.
